

# LOMOROBO

MURRAY AVENUE  
ROBOTICS TEAM

## Membership Application

### Who We Are:

*LoMoRoBo, the Murray Avenue Robotics Team, builds and programs robots to compete with other robotics teams. We use engineering, programming, and building skills to get our robot to complete challenges. Our challenges come to us in the form of games, which we play every year against other teams.*

Briefly explain your interest in joining the team:

---

---

---

---

---

Please list any other additional after school commitments you will be engaged in next year, including non-school activities (scouts, Hebrew school, etc...)

---

---

---

What is your experience (if any) with Legos?

---

---

---

Do you have experience writing scripts, macros, or programs for computers or any other electronic devices? If so, please describe:

---

---

---

---

---

Ever been on a robotics team before / to a camp / summer program, etc... ?

---

---

---

---

---

Our team meets Tuesdays & Thursdays after school, from September through December, and March through June. Will you be able to commit these dates and times?

---

By joining the team, you will be required to spend additional time outside of our after school team meetings to participate in weekend work, team competitions, exhibitions, community outreach, fund raising, etc. You also agree to learn the project scope and missions along with the rest of your teammates.

To make sure that the team is making progress and meeting its goals, everyone needs to stay committed to stay on the team. Your ability to commit to team meet times and events is essential!

---

*Please return applications to Mr. Kelly in room 100A or 213, or to Ms. Gourlay in room 103A. New team members will be announced Friday, May 20 on the bulletin board in the main hallway.*

*Good Luck!*
